

# Black Jack is the 5th episode in Jack and Chloes journey into the world of swinging. This time, Chloe is the narrator and she tells it from her perspective. Black Jack is more Chloes story than Jacks. There is a protocol change taking place. Chloe receives an invitation to go out on an actual date and Jack allows her this freedom. They agree he has the freedom to meet other women and make dates also. After the first date, Chloe & Jack discuss the new dynamics this brings to their marriage relationship and Jack expresses his feelings, Not sure you are going to understand this Chloe, but I see this, I see you having a boyfriend... and he made quote symbols with his fingers, I see this as validation. New lines are crossed of course, as each story in this series does. Events happen which neither Jack nor Chloe ever considered as possible. The man who asks Chloe out for dinner and she enters into a relationship with is a black man. She has emotional needs and she finds fulfillment with a man named Henry. He wants to provide her with what she didnt even know she needed until that night they met for the first time. Approximately 35 pages. All books of the High Stakes Erotica Series. 1. The Wager 2.
