

Many people may be coy when touching the subject of politics, but in this book - LOL at the GOP - author Craig Rozniecki not only touches it, he grabs a hold of, caresses and rocks its world to the point where he may be charged and sent away for a while. In his sixth book, Rozniecki penetrates deeply into the following: What Mitt Romneys best pick-up lines are at bars, if its true that the Ku Klux Klan endorsed Barack Obama for president, what a conversation might sound like between hard-core Republicans and Jesus, how many whoppers Rush Limbaugh has both told and eaten, and much more. LOL at the GOP is the perfect book for liberal and moderate readers, as well as conservative pyromaniacs. Its filled with more facts than a comic strip and more one-liners than youd find at a Charlie Sheen party. So get the book, get the facts and get ready to LOL at the GOP!
