

This revised edition of *Misbehavior in Organizations* updates and expands upon the integrative OMB (organizational misbehavior) framework pioneered by the authors. Streamlined for improved readability, it covers key topics that have emerged in the scholarly literature in the past decade including insidious workplace behavior, bullying and harassment in the workplace, information hiding, cyberbullying, and organizational spirituality. A thorough and up-to-date resource on this crucial and evolving topic in organizational studies, this book provides insights on misbehavior at the individual, position, group, and organizational levels.
