

A year and a half ago, Susanna Tawnie answered an advertisement on Craigslist for a roommate. Little did she know it was going to put her in the middle of two very different men who were both going to capture her heart. Not able to choose between the two, Susanna needed Santa to bring her a gift that she saw as impossible. Yet, would it arrive in time before Brandon and Caiden discovered they were sharing the same woman? Note: This novella is a complete story with BDSM overtones and steamy scenes. 18+ audience only.
