

Lin and Larry Pardeys first book, Cruising in Seraffyn, is credited with launching 50,000 dreams. This third book in the critically-acclaimed Seraffyn series chronicles their three years spent exploring Ulysses wine-colored sea. Lin and Larry paid for their apparent freedom by working along the way delivering and repairing yachts, and writing for magazines around the world. Seraffyns Mediterranean Adventure, originally published in 1981, will inspire and entertain listeners and show why the Pardeys motto Go Small, Go Simple, Go Now may be more relevant today than it was 30 years ago.
