

This publication will help us have a deep understanding of what sex is really about, what is it about sex that makes it so highly desired by everyone? Why is sex such a strong driving force? Why is it so abused in the society today? Could there be much more to sex than is known? What about virginity? What makes being a virgin such a big deal? These and many more questions will be answered in this book. We shall also see why sex seems to have become a strong tool of destruction in societies around the world.
