Praise for TUCKER THE SPIRIT CAT: "If ever you have lost a beloved animal, this beautiful story will soothe you and provide a balm for your grief. At the same time, it will remind you of the mysterious and powerful bond that we share with animals, a bond that keeps us forever willing to love and lose and love again." • Zoe Weil Co-founder and President of the Institute for Humane Education Member of the Animal Rights Hall of Fame "This book is a universal message of love and how the love we have for our pets never has to end. Our pets teach us so much in their short lives and they live in our hearts and memories forever." • Patsy Murphy Executive Director Animal Refuge League of Greater Portland, ME "This sweet story relates the deep spiritual bond that exists between animals and humans. Sashas love for Tucker transcends the linguistic and cultural differences that exist between the two species. They show each other pure love, which is often a difficult thing to find within our own species and culture." • Kate Steinhacker, DVM (Doctor of Veterinary Medicine) Dr. Kates Housecalls for Dogs & Cats Inspired by real life events, TUCKER THE SPIRIT CAT is the simple story of a great love between a girl and her pet cat, and how the love transforms when Tucker the cat moves from the physical to the spirit realm. This brief tale is a meditation, a prayer, a fable, for anyone who has ever loved an animal friend deeply, and felt a tremendous grief and despair at their passing. It will take only moments to read, yet may forever change the way you look at life, and love, and loss. It may even confirm feelings you've had that your pet who died is still close to you. This story may bring you peace and hope. It ultimately concludes that our animal friends never really leave us, and love between humans and animals never ends.
